

the flush

What's on your mind?

Welcomes you to UCSB!

Share

Hey UCSB!!! My name is Jose Magaña and I am the Residence Halls Association (RHA) President for the 2009-2010 school year. I am a third-year Political Science and Philosophy double major. I love hanging out with my fraternity brothers, watching and playing sports, and following up on current politics. Most importantly, I LOVE serving as your President and making sure your concerns are being taken into consideration and are taken care of.

So you may ask, "What is RHA?" RHA is your residence halls student government (like ASB) that uses a \$260,000 budget to put on educational, diverse, and social programs for you. Our main objective is to make the residence halls at UCSB your second home as well as making this year the best year that you have ever experienced. This includes putting on programs like All Hall Ball (like Prom but for college), All Hall Brawl (like rallies in high school) and the various festivals that will go on at the end of the year.

Like I said, if you want to do something, let us know and we will try our best to accommodate your concerns and wishes. If you want to get directly involved in putting these programs on, gaining valuable LEADERSHIP EXPERIENCE, amazing NETWORKING, and meeting some of the coolest people you will ever meet, I encourage you to get involved (regardless of whether it is with RHA or Hall Council). GET INVOLVED!!!! Join a club, join a sports club, or join a Greek organization. Make sure you get involved now, make amazing friends, and ENJOY YOUR STAY HERE AT UCSB!!!

I hope you have a great first few weeks at UCSB. Remember to also focus on school and your health as well. If you want to have breakfast, lunch, or dinner any time, please let me know. If you want to hang out, I would really enjoy hanging out as well. Find me on Facebook or e-mail me at rhapresident@housing.ucsb.edu so we can set things up. Please do not hesitate to contact me and approach me in the dining commons or the different residence halls. Enjoy the fall, enjoy UCSB, and...ENJOY THE FLUSH!!!

Best Wishes,

Jose Magaña
